CASE STUDY

WOHALI PARTNERS

LOCATION: COALVILLE, UT **INDUSTRY:** CONSTRUCTION/DEVELOPMENT

Wohali Partners was established in 2017 when three partners came together to build the Wohali Development in Coalville, Utah. The development is a 1,500 acre parcel that will include more than 500 high-end homes, multiple golf courses, a spa and clubhouse, cabins, restaurants, and an amphitheater.

CHALLENGES

- Safety and security of the property
- Protect \$5–6 million in assets and equipment
- Monitor construction site remotely
- Collect evidence if an incident occurs
- Liability protection
- Time lapse of progress

*“We have limited access to utilities or power, so the fact that we have **security that is solar powered and is completely mobile** is awesome.”*
